

What's New?

ACH is the preferred payment method of Coca Cola Bottling Company Consolidated...

We are currently implementing ACH with our suppliers, which will eliminate payment via paper check. Upon completion of the attached ACH Authorization form, Coca Cola Bottling Company Consolidated (CCBCC) will make electronic payment to your chosen financial institution. Remittance information can be faxed, emailed or sent EDI.

ACH enrollment is free and can be accomplished by completing the instructions below:

- 1) Complete the ACH Authorization form that can be found on the Vendor Setups home page. The form must be signed by a company officer or authorized representative.
- 2) Attach or photocopy a voided check or deposit slip to the completed application.
- 3) Mail or fax completed form to:
